School Council

Agenda 14th November @12.30pm 2025

1. Welcome & Apologies
   Apologies from Mrs West
2. **Behaviour:**
   Resilience:
   A child would stick at a task, be brave enough to have another go without being asked, Not give up despite failing.
   Excellence:
   A child would show curiosity by asking relevant questions, be creative about what they were doing, give more than they were asked of
   Self-Awareness:
   A child would Without being asked: pick up rubbish, act responsibly, open a door, offer to help, be patient and wait, admit to mistakes made without prompts, forgive others, consistently use good manners and encourage others to do the same.
   Passion:
   A child would using their own time to take learning home, motivate Others, conduct a project that they were not asked to do, teach someone new skills
   Empathy:
   A child would help and share with another, without being asked, ask another child to play, help someone if they fall
   Communication:
   A child would giving ideas and opinions in a respectful way
   Teamwork:
   A child would work in a group with others, cop-operating, turn taking and including others, using other RESPECT rules
