School Council
Minutes 24th April @12.30pm 2026

Welcome & Apologies
Apologies from Scarlett and Jacey

1. Feedback to Sporting communities – Andy Cadman informed us that Sam had broken her ankle and would probably not be able to attend. We decided to leave this item until the last meeting.

2. Updated Child Friendly Policies - **Child-friendly Safeguarding Policy**

- Robins said " Like the picture, it's fine as it is, makes sense feel safe having it."
- Kingfishers said " clear, easy to understand"
- Eagles said " What about Mrs Hosie to talk to?" All of the eagles enjoy how the child friendly safeguarding policy is made"

(Mrs Bowler explained that Mrs Hosie is a person to talk to if they are worried but is not a DSL with a purple lanyard)

3. Feedback from the Playground Risk Assessment and Tours
   The playground got thumbs up from everyone. Suggestions to improve were:
   - Football nets in the sky
   - Swing/zipline
   - Table tennis timings to improve
   - How to play hopscotch

4. Lunchtime Monitors

- Robins – Eagles and Kestrels to hel people open things and cut up food, helping children to follow the rules and keep quiet, help clearning up in the hal, serve good (salad bar) do the hand gel, set tables.
- Kingfishers – yes from year 3 onwards – please provide gloves and eat with the rest of the kingfishers
- Eagles -year 4s upwards cleaning tables,
  Year 5s cutting children's food, role models.
- Leo in Kestrels thought it was a good idea but wouldn't want to miss breaktimes

Mrs Bowler suggested it would be an application process perhaps each term?

5. Fine Diners?

- Robins – Like it, like the sweet, would like to know how to become one
- Kingfishers said some children haven't been one – not sure why
- Eagles – no because of the age difference but you still get the certificate and non-school uniform instead

A suggestion was to have a 'colonel sanders' style advert for Fine Diners to promote good table manners.

Any other business

Robins – Make sure people use their manners all of the time
Reminders of how to be kind on the new equipment
People should help wrens on the climbing equipment

Kingfishers – new colouring pencils
Spanish/Greek lessons

Eagles – whole staff a thank you card

Next school council meeting Friday 12th June – Final Meeting of the Year 2026
