

Gender Pay Gap Reporting – March 2023

This report shows the difference in the average pay between all men and women across our workforce. SHINE Multi Academy Trust is an equal pay employer, subject to the requirements of TUPE transfers. The Trust’s Gender Pay Gap is a high level, non-adjusted indicator of male and female earnings affected by workforce distribution and workforce make-up. The overall gender pay gap reflects workforce composition rather than pay inequalities.

The Board of Trustees are committed to the promotion of equality of opportunity and choice for employees and support the fair treatment of all staff irrespective of gender through our transparent recruitment processes, pay policy and professional development. All our posts are aligned to nationally agreed pay scales and our male and female staff are paid within the same pay band for the same job role.
