

English

Use year 3/4 spelling words and adventurous vocabulary.

Narrative - 'The Iron Man'

Persuasive - 'Inviting an author'

Oracy - 'Pitch your Passion'

Playscript 'The Plague Village'

Newspaper Report - 'Wizards of Once'

Book Club Reading

Non-fiction - 'Funny Inventions' - Tony Robinson

Poetry - Remembrance Poems

History & Geography - Local Area Study

Kestrels will be taught

About the Industrial Revolution

Why coal and iron were so important for the Industrial Revolution.

What a working village is and why it was necessary.

Know what the land use of an area is and how it has changed.

To sequence events on a timeline.

To understand the methods of historical enquiry and why people may have different views

Computing - Purple Mash Units

- Online Safety:
Self-Image/Relationships/Reputation
- Unpacking hardware and software day
- Effective searching
- Coding

Art and Design and Design Technology

Portraits - Painting and Mixed Media

Electrical Systems - Meet the Doodlers.

investigate a product to problem-solve and work out how the product has been constructed.

Mathematics - Yr 5

Become fluent in mathematical fundamentals and reason mathematically to develop logical arguments.

Place Value: Solve problems using a variety of strategies and representations; Read, write, order, and compare numbers up to 1,000,000; Understand place value including decimals (up to two decimal places); Count forwards/backwards in powers of 10; Interpret negative numbers in context; Read Roman numerals up to 1000 (M).

Addition and Subtraction: Add and subtract numbers with more than 4 digits using formal written methods. Use rounding to estimate and check answers. Solve multi-step problems in context.

Multiplication and Division: Multiply up to 4-digit numbers by 1- or 2-digit numbers using long multiplication. Divide up to 4-digit numbers by 1-digit numbers using short division, interpreting remainders. Identify factors, multiples, prime numbers, square numbers, and cube numbers.

Fractions: Compare and order fractions with denominators that are multiples of the same number. Add and subtract fractions with the same or related denominators.

Weekly Arithmetic Check to consolidate multiplication recall

'What Lies Beneath' – Nelly Bly

Term: Autumn Term 2025

Class: Kestrels

French

Lanuaae Anaels: Phonics 3 & 4. Veatables

P.S.H.E.E.

Being Me (Being unique and special)

Changes (Managing loss of change)

PE

FUNDamental Football, Handball Swimming (Yr4),
Athletics, Boxercise, Gymnastics (Yr 5)

Music

Looping and Remixing -keep in time with a group

Blues - play 12 bar blues and learn what a chord is

Derbyshire RE Syllabus

L2.3 - Why is Jesus inspiring to some people?

Science: Physics: Forces

Kestrels will be taught

Unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object.

The effects of air resistance, water resistance and friction, that act between moving surfaces. Recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect.

Science: Physics: Sound

How sounds are made and vibration. Vibrations from sounds travel through a medium to the ear

Find patterns between the pitch of a sound and volume of a sound.

Sounds get fainter as the distance from the sound source increases.
