### Homework

Homework for the summer term starts today and your child should have brought home their booklet. Please join in with some of the activities in your child's homework booklet and sign them off so they can collect points.

### After School Clubs

After school clubs start this week. We have a few places left in Handball and Hockey; Board Games, Glee Club and Homework clubs. Please contact Mrs Moore in the School Office if you would like your child to have a place.

### Bank Holiday

Please can we remind you that school is closed on **Monday 5<sup>th</sup> May** as it is a Bank Holiday.

### Eagles School Visit

Please can we remind Eagles parents/carers that the slips and contributions for Eagles visit is due no later than **Thursday 16<sup>th</sup> May**. The PTA is kindly subsidising this visit, but unfortunately, if we do not receive enough contributions we will have to cancel it. Thank you to all of the parents/carers so far who have sent in their contributions and returned the slips.

### Afternoon Gate

Thank you to all of the parent/carers for supporting the change in the afternoons as a result of the parent questionnaire. It has ensured that there is a much smoother transition when the children and parents/carers are leaving the playground.

### VE Day 80<sup>th</sup> Anniversary

On **Thursday 8<sup>th</sup> May** the children in school will be commemorating the 80<sup>th</sup> anniversary of VE day. The children will have the opportunity to connect with the stories of the end of the Second World War and what it means today. We will be asking staff and children to dress up in red, white and blue for the day. [VE Day – VE Day and VJ Day 80](#)

### Squid Game

We have recently had a number of children saying they have been watching Squid Game on television. Squid Game is not suitable for primary school aged children and Common Sense Media recommend it is only for people over 16 years of age. Please click on the link for further information. **Martha Maps it out in Time!**

by Leigh Hodgkinson

Who doesn't love a book with a map? Well... I love a fictional map! A map has that capacity to bring a book alive and to allow the reader to immerse themselves in the pages. It is possible to become lost for hours in the pages of a book with a map.
