Kestrels School Trip

Please can we remind Kestrels parents/carers that the slips and contributions for the Bradford Science and Media Museum visit is due no later than **Thursday**. The PTA is kindly subsidising this visit, but unfortunately, if we do not receive enough contributions we will have to cancel it. Thank you to all of the parents/carers so far who have sent in their contributions and returned the slips.

Wonderful World Week

Please can we remind you that the deadline for the Wonderful World Week Lunch and Stay slips and money is this **Thursday**. Unfortunately, we are unable to accept any slips after this date.

National RSE Day (Relationships and Sex Education)

On **Thursday** the children will be split into year groups and be taught the curriculum which is age appropriate rather than in split year groups. The teachers and HLTAs will be using the Christopher Winter Project scheme of work to assist them. Please click on the link to view some more information about the content of the lessons. If you have any queries, please speak to the School Office. Children in Year Six will be participating on Friday 4th July. [Relationships, Sex and Health Education | Ironville and Codnor Park Primary School](#) Please refer to the SHINE Trust policy about parents/carers right to withdraw from sex education. [Relationships, Sex and Health Education Policy](#)

Sports Day

On **Friday** children will be competing for their house teams in our annual Sports Day. The sports day will take place between **9:30 a.m. – 11:30 a.m. (weather permitting)** and you are welcome to come and cheer them on. Children in Reception and Key Stage One will be on the field first with the older children on the playground. Feel free to bring your own seats and refreshments. Your child will have ice pops provided so please do not bring them additional snacks or encourage them to come to you, in case they miss their race. As there are children who cannot be filmed, please **DO NOT** film or photograph any of the children. We will be taking lots of photographs of those who can, which will be uploaded onto our website. Please make sure your child has their sunhat, water bottle and have sun cream on. Thank you.

Kestrels and Eagles

We are very excited to announce that Kestrels and Eagles are going to be performing a musical play called the Pirates of the Curry Bean! The performances will be on **Tuesday 8th July at 1:15 p.m. and 5:15 p.m.** Tickets will go on sale tomorrow at a price of £1.50 per ticket. Further details will be in the ticket letter.

Celebrate

We have a few staff members who have recently believed, achieved and succeeded. Mr Garrard completed a 10k Wolf Run with obstacles, Mrs Grundy climbed Snowdon and Mrs Coulston took part in the Big Hike in the Peak District and raised nearly £600 for Cancer Research!

Diary Dates

July 2025

Recommended Read

Ages
7+

Most people think of mathematicians as solitary, working away in isolation. And, it's true, many of them do. But Paul Erdős never followed the usual path. At the age of four, he could ask you when you were born and then calculate the number of seconds you had been alive in his head. With a simple, lyrical text and richly layered illustrations, this is a beautiful introduction to the world of math and a fascinating look at the unique man.
