Today is the last day for applications to be made.

### Safeguarding

#### Educate Against Hate

Our national threat level is 'severe'. Please click on the following link for Government advice and trusted resources to help safeguard students from radicalisation, build resilience to all types of extremism and to promote our shared values. [Educate Against Hate - Prevent Radicalisation & Extremism](#)

A gentle reminder that we do discourage children to interact with passers by while in the school playground, in line with our safeguarding guidance, even if it may be family members. We will happily pass on any message via the school office.

Thank you.
