My Money Week

Next week is My Money Week - a national activity week for primary and secondary schools designed to raise awareness of the importance of financial education and to get children and young people excited about money matters. All children will participate in a range of activities relating to money. If you would like any further information, please click [here](#).

London Visit – Kestrels

Please watch out for a letter that your child will be bringing home today. There is no cost for this visit but the permission slips need to be returned by Friday 19th June – thank you.

Sports Day – For your information

On **Friday 19th June** the children will be competing for their house teams in our annual Sports Day. The sports day will take place between **9:30 a.m. – 11:30 a.m. (weather permitting)** and you are welcome to come and cheer them on. Children in Key Stage One will be on the field first with the older children on the playground. Feel free to bring your own seats and refreshments. Your child will have ice pops provided so please do not bring them additional snacks or encourage them to come to you, in case they miss their race. As there are children who cannot be filmed, please **DO NOT** film or photograph any of the children. We will be taking lots of photographs of those who can, which will be uploaded onto our website.

Time for You

On **Wednesday**, Miss Sharpe and Mrs Coulston are running the Time for You session in the Unicorn Room from 8:45 a.m. – 10:30 a.m. This is an opportunity for you to discuss any concerns or support that you may need for you and your child.

My Secret Friend

This week is my Secret Friend week for the children and staff. **On Monday**, please ask the children to pick a child's name out of a hat from their class and ask them to do something nice for that friend during the week. Don't forget to do something nice for your secret friend!

World Cup Football

We know that it is going to be an exciting few weeks of football. Unfortunately the matches that are being played are mostly late evening and during the night. It is really important that children have enough sleep to focus in class and enjoy their school day.

Celebrate

If you would like to share any special achievement that your child has participated in, please could you let school know at mooreb@ironvillecodnorpark.derbyshire.sch.uk

Wonderful Writer
Abbie Wright

The children in Year Six have had an exciting opportunity to link with the University of Derby on an outreach project. It involved the children visiting the University of Derby and having their own graduation in school! The children have learnt about the benefits of attending university, they have discovered the subjects they could study and the careers they could lead to as well as find out about the opportunities encompassed within student life.

Bolsolver Castle Visit

Kingfishers had a wonderful time at Bolsolver Castle on Wednesday, even avoiding the heavy downpour!
